(exterior shot of ICB building in Long Beach)

Cary: ICB took a chance on us...

(Cary on screen)

Cary: ...and they did that first of all by spending a lot of time with us really getting to know us and then tailoring what they did for us based on what we needed.

(closer exterior shot of ICB building in Long Beach)

Cary: They've been just wonderful.

(Cary on screen)

Cary: As we've grown they've grown...

(interior shot of Spaghettini with plants and logo)

Cary: ...and they've always been there for us.

(Cary on screen)

Cary: My business keeps me in the restaurant a lot so if I can call up Mike over at ICB and ask for something that we need and he says no problem. You know that feels really good.

(Cary on screen)

Cary: There's no way that a bank or anybody else could do some of the things that ICB has done if they did not take the time to continually get to know us.
